

How to Give

June 12, 2022
Mark 12:41-44

Pastor Mark Turner
Oakbrook Community Church (PCA)

An Observation Designed to Teach

- Jesus is done His public teaching, but He is not done teaching His disciples
- Jesus sat down opposite the treasury
- 13 Collection boxes with brass funnels to catch coins
- pilgrims dropped offerings thru these funnels

Jesus Observes

- We're not told what Jesus exactly did with the widow
- He called His disciples & commented⁴³
- Jesus is always watching what you give...

A Profound Declaration

- Truly... to emphasize the importance
- This small gift is worth more than the other gifts!
- God's Economy is different than man's economy
- **God Doesn't Need Your Money** ^{Ps50:10}
- **God Grants to Us as He sees Fit**
- **You are a Steward for God** ^{1Pt4:10}
- **God uses Gifts for His Purposes - Great or Small**

Three Final Lessons

- Our giving is to be measured by proportion, not addition
- Our giving is not measured by amount, but sacrifice
- Our giving is always in the sight of Jesus

Gospel and Giving

- Jesus' atoning work is a historical reality^{Eph1:10;Gal4:4}
- Jesus demonstrated His love for us^{1Jn3:16} we also should show God's love by laying down our lives
